## General Information

1. On entry, membership cards must be shown every time, as volunteers on the door do **NOT** know who are members and who are not. If a membership card is not shown, a visitor fee will be charged.
2. Name badges to be worn at all dances so members and visitors can get to know each other.
3. A dress code applies to all dancers. Please read the back page of this booklet:
  - a. Partial non-compliance may be accepted on first visit.
  - b. Visitors are expected to comply on second or subsequent visits.
4. We are happy to have anyone over 50 years come along. Our dance lessons are for one hour each week, often for 100 people, or more. Therefore, anyone who has no ballroom dancing experience may find this is insufficient for them to learn. We don't want to discourage anyone from coming but as a club, rather than a studio or school, we are unable to provide more teaching. We recommend that beginners **also** go to a studio or school to learn.
5. Refreshments:
  - a. Iced and tap water are readily available from approximately 10:45 am until after the dancing has ended at 3:00 pm.
  - b. One urn is heated early so that tea and coffee is available from approximately 10:55 am.
  - c. A mid afternoon tea break of 15 minutes is held. Tea, coffee and biscuits are provided until the end of this break when the kitchen is closed.
  - d. Water remains available for the duration.
6. Open cups/mugs are **NOT** permitted on, or near, the dance floor; only closed drink containers are permitted.
7. Members are encouraged to bring their own cups/mugs for afternoon tea, however they must be taken home to wash.
8. A group of volunteers and committee members set up the venue (chairs, tables, dance boards, fans, etc.) arrange and clean after afternoon tea and pack away after the dance has ended.
9. Many members enjoy having their birthday announced during the short raffle/business section of the afternoon. Other members prefer not, so let our Membership Secretary know if you do not wish to have it announced.
